### **GBOS NEWCOMER GROWERS**

Katherine Brown would like to start a Newcomers Growers after the first of the year for those who feel they would benefit from the subject of the meeting - how to pot/repot, identifying specific pests/diseases/problems and how to deal with them, how to select the best plant for location, growing some of the most popular genera, etc. And of course we would visit member greenhouses, maybe every quarter. She is open to any questions and suggestions you may have.

### **NOMINATIONS AND ELECTIONS FOR 2018 OFFICERS**

The Nominating Committee shall report its recommendations at the October meeting, and again at the November meeting, at which time the President shall ask if there are any further nominations from the floor. If there are none, election of the entire slate of officers may be by acclamation. If there are additional nominations, election shall be by ballot for those positions only. A majority of votes of the members present shall elect.

### **Next meeting on November 20th**

Monty McGinnis will be leading an interactive program about "*Orchid Essentials and Winterizing*" using Power Point slides to stimulate discussion.
