The next meeting of the GBOS will be Monday, May 15 at:  
Keller Williams Building, 18050 Saturn Lane, Nassau Bay 77058

The meeting will start at 7:00. Please plan to attend and bring a guest! Refreshments will be potluck. Fr. Ted will give a presentation on "Equador Orchids in Splendor". Orchids from Ecuador we can bloom and some we cannot, plus the WOC (World Orchid Conference).

## GBOS Picnic

*Thank you, Katherine,* for hosting the GBOS picnic at your lovely home, yard and greenhouse. It was a beautiful day, the food was delicious and the plant exchange was abundant. We also celebrated Larry's birthday with a beautifully decorated cake.

## Orchid Tip of the Month

Recycle natural wine corks for use in vanda baskets or in pots with pebbles on the bottom. Plants show no preference for vintage, grape varietal or region of origin of the wine.

Our next meeting will be on Monday, June 19, 2017.

Mr. Denny Hass of Spring Orchids will make a presentation on "Hybridization of Orchids and the Orchid Family Tree" and will have orchids available for purchase.

If you have not paid you annual dues yet, please do so, so that I can make a new membership directory which will be distributed at our June 19th meeting.
